

CODES AAC Activity of the Week

Follow the Footsteps

This activity will help your child learn about directing others during a task. It will also allow you to introduce directional vocabulary such as left, right, forward, back

- ★ Cut out numerous footsteps and make a path to a treasure chest or surprise box
- ★ Your child can then direct you along the path to get to the treasure chest using pre-stored words or phrases
- ★ Your child can yell STOP! when you get to the treasure chest.

Symbols and vocabulary you will need: left, right, forward, back, stop, go, You found it!, Let's play that again!
