

CODES AAC Activity of the Week

Dump it in the bin!

This activity will help your child begin to use starter phrases.

- ★ Find 10 objects that are easy to describe. Find one big clean rubbish bin.
- ★ Lay out all the items in front of the child and say “We are going to clean up today”
- ★ Proceed with the game by saying “I am thinking of something that is ...” The child shouts out “It is a” For example, the parent says “I am thinking of something you wear on your head” the child shouts out “It is a hat”
- ★ If it is correct, the child can then dump the object in the bin.

Symbols and vocabulary you will need: the starter phrase “It is a” and the name of 10 objects
