

CODES AAC Activity of the Week

What am I doing?

This activity will help your child correctly identify what action is being mimed. It is a good introduction to helping your child begin to use action words (verbs)

- ★ Identify 10 actions that you can mime
- ★ Make sure you put the 10 verbs on the child's communication system.
- ★ Parent mimes an action for the child. The child tries to guess what you are doing using the action words.

Symbols and vocabulary you will need: swimming, clapping, running, hiding, eating, drinking, hopping, jumping, falling, sitting
