

CODES AAC Activity of the Week

I can say NO!

This activity will help your child begin to use the word no to reject things that are said.

- ★ Find a mother and child puppet or doll.
- ★ Child puppet/doll asks mother puppet/doll if they can do certain things that are clearly not right. For example. “Can I put the cat in the washing machine?”
- ★ Child shouts NO after each question.

Symbols and vocabulary you will need: various questions about doing things that are clearly not right, the single word no
