

CODES AAC Activity of the Week

Where is it?

This activity will help your child begin to ask questions.

- ★ Gather together 4 different coloured mugs or plastic tumblers and a number of small objects that you have around the house. These can be things like a key, spoon etc
- ★ Set out the 4 tumblers on the table. Child closes their eyes and you hide the object under one of the tumblers.
- ★ Child opens his eyes and says, “I have lost something, Where is it?”
- ★ You can then give the child a clue as to where it might be hidden.
- ★ Every time the child guesses the wrong spot, the child says “I have lost something, Where is it?”

Symbols and vocabulary you will need: The phrase I have lost something, where is it? programmed into their AAC system
